

*TEXTBOOK*

*Question:* What edition of the textbook should we use?

*Answer:* Principles of Corporate Finance by Richard Brealey, Stewart Myers, Franklin Allen  
McGraw-Hill/Irwin; 11th edition (January 15, 2013)

ISBN-10: 0078034760

ISBN-13: 978-0078034763

You may also use the 7th, 8th, 9th, and 10th editions

*Question:* Do I buy the text or does NEAS supply it?

*Answer:* You purchase the textbook; NEAS supplies all additional material: illustrative questions and answer, homework problems, and explanations.

*Question:* Where can I get the textbook?

*Answer:* Most university bookstores have the text. It can also be ordered from internet booksellers, such as Amazon.com. If you live in North America, you receive the book within two or three days. If you live outside North America, it may take longer (about 7 to 9 days to send the text to Asia).
